CORRECTIONS TO THE JOURNAL

Publishing a document of this size and detail without errors is virtually impossible. We need your assistance to correct them, or it is probable that they will be repeated in subsequent editions of the Journal. If you find an error, please make note of it on this page and send it as soon as possible so that corrections can be made before the next edition.

Your cooperation in these matters is both appreciated and very helpful. Also, please forward any suggestions as to how the Journal may be more useful and beneficial to you.

Thank you.

Please make a photocopy of this page for each error you find.

Correction Notations:

On page ____ , which reads:
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________

It should be corrected to read:
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________

Person making request: Phone # (________) __________-_______________________
Name (please print)____________________________________________________
Address_____________________________________________________________
Signature of person making request________________________________________

After noting the correction and/or addition please remove this page from your journal and send it to:

Advocacy Access Line for Victims of Sexual Misconduct within the Church
1-877-852-5250 (toll free)

The Advocacy Access Line is a ministry provided by the Annual Conference to anyone impacted by ministerial sexual misconduct. The line is available as an effort by the conference to assure its care for all parties impacted by sexual misconduct.

The Advocacy Access Line is a confidential line that notifies an advocate that a call has been received. The advocate will attempt to respond within 24 hours. The line offers a compassionate ear without judgment or partiality and offers options for further care if requested; however, the advocate does not act as a professional therapist for the caller. An advocate may also explain the stages of the complaint process if the caller chooses to pursue a complaint.
